Mr M K Narayana Iyengar then moved that the sanitary arrangements in the place where the Mysore State Congress holds its sessions during November 1946 be made free of cost by the Municipality

Mr S Krishnappa seconded the above

There was some discussion regarding the waiving of charges in this behalf The Health Officer explained that he would have to employ extra men for this work and that their pay etc will have to be met. When asked, he informed the House that the sum might come upto Rs 300/- or so

Then it was finally decided that it was not right to ask for this amount from the Congress authorities and that the arrangements referred to may be made from Municipal funds

Mr M K Narayana Iyengar observed that the Municipal Council had very generously resolved that the cost of sanitary arrangements etc (which may come to Rs 300/-) in Subhas Nagar in connection with the Mysore State Sixth Congress Session may be met out of the municipal funds instead of demanding the same from the authorities of the Session Now the actual cost incurred was about Rs 160/- more than this sum of Rs 300/- and he wanted the Council to waive this demand from the Congress and to pay the same from municipal funds He moved 'that this Council resolves that the bill for Rs 160/- over and above Rs 300/- permitted by this Council in respect of the expenses incurred in connection with the Congress Sessions and Exhibition and demanded from the authorities of the Congress Sessions be waived and met out of municipal funds'

Seconded by Mr M V Veerappa and supported by Messrs K R Papaiah raju and K Ambrose Ananda, the above was ~~appro~~ passed
